Restorative Questions

What happened?
What were you feeling at the time? (feelings)
What were you hoping for when you chose to act/act/react? (needs)
What is important to you about what happened? (needs)
What have you thought about or felt since?
What have you done to make things better? (self-responsibility)
What have you done to make things worse? (self-responsibility)
What about this has been the hardest for you? (impact)
Who else has been affected? (impact)
If you could do it over, what would you do differently? (learning/growth, prevention)
What do you think needs to be done to make things as right as possible? (repair)
