EQUITY ACCELERATOR

Leveraging AI for STEM teaching?

Join a national Faculty Learning Community for AI early-adopter STEM faculty.

Test and refine AI teaching practices in your own course, alongside peers and experts in mindset and learning science, grounded in EA's Growth Mindset Culture research.

Virtual
monthly sessions

Term-Long
starting March 2027

Stipend
for all faculty who participate

Not teaching, but connected to faculty who are? Help us find them by completing the interest form or sharing this flyer.

Scan to share your interest

Takes 2–3 minutes. No commitment.
